Building/Fire Code Focus Group Meeting

10:30 a.m. – Wednesday, June 10, 2009

APS Conference Room, 101 West Cherry Ave, Flagstaff, AZ

1. Welcome and Introductions

In attendance:

Paul Cortez, City of Flagstaff
Steve Dorsett, Architect
John Farnol, Coconino County
Ed Larsen, City of Flagstaff
Mary Jo Tsitouris, City of Flagstaff

2. Recap Focus Group purpose

The Focus Group will be outcome focused with a strong emphasis on general issues rather than getting into the details of technical code review. A primary goal will be to ensure that the new Code implements the Regional Plan.

It was explained that our goal at today's meeting will be to take the key issues which were identified at our last meeting and categorize them into groups. These groups are as follows: Resolved Issues, Not Applicable, Further Discussion, and New Items (results attached).

Further explanation of these groups - Resolved issues are those which the group has agreed needs to be addressed and can now be forwarded on to the Consultant for incorporation into the new Code. Not Applicable issues are those which the group has agreed are a good idea, but are not addressable in the Code. New and Further Discussion items are to be listed on the next meeting agenda for expanded discussion.

3. Discussion regarding Building/Fire Code and related issues associated with the rewrite of the Land Development Code
4. Next meeting
5. Adjournment at 11:29 am.
